FRIENDS FOR FUN, SAFETY, AND KNOWLEDGE

GWRRA Wyoming District Director

Greetings, GWRRA-WY Family!

We wish you a Merry Christmas, We wish you a Merry Christmas,
We wish you a Merry Christmas, and a Happy New Year!

So there you have it... with all the snow and cold temperatures, it's been quite easy to get in the holiday spirit, and from our home to yours, we wish you all the best for the upcoming holidays and especially for the New Year that is right around the corner! We also hope you had a blessed Thanksgiving, and as you contemplated the things you were thankful for, included your GWRRA relationships and good times! We did!

Just a brief word about bike maintenance over the winter months... be sure you've taken the proper steps to prepare your Gold Wing for it's hibernation season, with a good cleaning, a little Sea Foam or other additive in the gas tank, attachment of your battery tender (if that's your practice), and any other steps to ensure your bike/trike is ready to go in a few short months when the weather permits.

So what else is going on? Your Wyoming District Team had its most recent monthly planning call earlier this week, and we are happy to announce that our 2019 District Rally will be held in Lander, running from June 27th to 30th, 2019! We are still in negotiations with lodging and camping venues, so this is a "save the date" announcement so you can put it on your calendar. Once we have those details confirmed, we'll send out a flyer and registration form with all the details. You'll want to be sure and make your reservations early, since Lander has a lot of tourist traffic, and accommodations will go quickly.

The second event in the works is a different approach to our annual "planning meeting"... As you should recall, we opted to switch from a fall time frame to a spring meeting to "kick off" the new riding season. I'm pleased to announce that we will be holding the "2019 Wyoming District Spring Fling" on February 15th and 16th at the C'Mon Inn in Casper, Wyoming. The plan is to meet for a shared evening meal on Friday night, and then spend time Saturday morning discussing plans for the 2019 riding season. We're planning to have 1 or 2 training sessions, interspersed with games and socializing, and wrap up in the late afternoon. Lunch on Saturday will be provided by the District. For those who'd like to overnight Saturday, we'll plan an evening meal as well. Please note that this event is open to all interested parties, and the more the merrier! Watch for a flyer with details about a block of rooms with a special rate, and other details, but plan now to join us for a fun weekend!

Other activities in the works for your 2019 Calendar Planning:

> Chapter A is planning a special multiple-district run to Medora, North Dakota in honor of their 30th Annual trip to that fun-filled venue for dinner, a show, riding, and an all-round good time! Dates are being determined, so stand by for more news as it is available.

> The Nebraska/South Dakota 2019 District Rally is scheduled to be in scenic Broken Bow, NE on July 25th through the 28th. Special room rates are now available, with additional Rally details forthcoming after January 1st! Go to www.gwrrane.com and check out the District Newsletter for details.

> The Montana 2019 District Rally will also be on the weekend of July 25th through 27th in Dillon, MT. The rally theme is "There's Gold in Them Thar Hills!", so plan to head north if that works for you! Visit: www.gwrra-mtdistrict.org or contact Betty Bonnett 406-690-4222 (text ok)

> The Montana District is also planning a Montana Rendevous on June 1st. Contact Betty or Chuck Bonnett for details.

> As you should know by now, Wing Ding 41 will be held in Music City Nashville, TN, from August 27th through 31st. Go to www.GWRRA.org to register and get your lodging accommodations made. Amy and I would love to coordinate a group ride to Nashville, so let us know if you're up for that type of adventure!

> Finally, the Colorado District is planning a multi-district rally in August, 2019, which I understand will be in the Four Corners area of southwest Colorado.

So there you have it! Lots and lots of opportunities to ride in the coming year! Feel free to reach out to your Chapter Directors, or any of the District Staff with questions or suggestions.

Here's our Christmas Wish we'd like to share with you all.... We LOVE the people we've come to know through Wyoming GWRRA, and we'd really like to see that number expand. We "wish" that each current member would find one current friend, family member, or acquaintance that loves to ride and/or be a part of a riding organization, and then ask them to JOIN US for one of the events listed above. Think about the momentum that could result with each of us inviting one person/couple to join in the "friends for fun, safety, knowledge, and riding" in 2019. Will YOU help make our Christmas Wish come true???

That's it for now... hope to see you on the road soon, and until then, Ride Safe!!
